# BLUFF FRONT CONTEMPORARY HOME

DANA POINT | \$9,888,000

Majestic bluff front contemporary home overlooks Dana Point Harbor with sweeping coastline views to San Clemente and beyond. With over 100 ft of bluff frontage, the architect created a space that embodies the essence of California coastal living. Consistent use of Santa Barbara sandstone, copper clad arbors, mahogany gates, limestone flooring and seamless glass walls bring the outside in. Approx 6,500 sq ft of masterfully designed living space replete with separate casita and downstairs/upstairs master suites.
